Supply of clothing to the Menials of the Census Department.

SIR,

Referring to Government Order No.G.8337-8/C 11-20-4 dated 21st October 1920 on the above subject, I have the honor to state tha the clothing due to the menials of this Department for 1919-20, both light and warm, was not issued till about the close of December 1920.

2. In their order of the 20th October 1920 referred to above, Government, while sanctioning the issue of clothing to the menials of this office at a cost of Rs376-8-0, have observed that the supply is intended to be for the whole period for which the Establishment would last. But it is now found by experience that the clothing issued in 1920, both light and warm, has by constant wear and lapse of time, become much worn out, and the menials, in common with those of the other Head Quarter offices of Bangalore, pray for its re-issue this year.

3. As the Census Department is likely to last for a year more before the operations are completely wound up and as the issue of --

P.T.O.

ssue of clothing to the menials for the current year appears to be ecessary in these hard days of high prices and increased cost of liv.. request that Government will be pleased to reconsider their order o 0th October 1920 and to accord sanction to the supply of only light lothing to the menial Establishment of this Department at a cost of 313-0-0 as per enclosed statement, the amount being debited to the ensus funds.

4. Needful provision for this has been made in the Census Bud. or the current year.

I have the honour to be,

Sir,

Your most obedient servant,

GEN & REV. SECTT.
17 MAY 1922

V. R. THYAGARAJAIYAR, Esq., M A.,
Census Superintendent in Mysore,
Bangalore.

To

S. Hiriannaiya, Esq., M.A., B.L.

Secretary to the Government of His Highness the Maharaja of Mysore in the General Department, Bangalore.

Subject.

Necessity for the continuance of the 14 peons of the Census Department.

Sir,

9 With reference to correspondence ending with General and Revenue Secretariat Reminder No.M.5137 dated 15th May 1922, I have the honour to submit, with all deference, that the question of the necessity for the continuance of the peons does not arise in this connection.

2. In my letter No.1978 dated 11th January 1922 I applied for sanction of Government to the issue of new clothing to the menial establishment having regard to the prevalence of high prices. If the Government should not be inclined to grant the request, I would not desire to press the point, having regard especially to lapse of time and to the short period of the continuance of the menial establishment. I may further point out that the services of two watchmen of Central Abstraction Office shown in the statement submitted with letter No.1978 dated the 11th January 1922 have been dispensed with from the 1st instant and that no clothing need be sanctioned for them.

3. In my letter No.2352/F.196 dated 24th March 1922 submitting the Budget proposals for 1922-23, I have asked for the continuance of the existing menial establishment (with the exception of one of the tw watchmen whose services have been dispensed with as above noted) till the end of October 1922, my reasons being that owing to their frequent applications for leave on account of domestic affairs and to the prevalence of sickness among them in the unhealthy seasons of the year, it would be inconvenient to manage with a less number and that the establishment will not last beyond October 1922.

4. I may add that every effort will be made to keep the menial establishment at as low a strength as possible, the services of the two watchmen employed for the Central Abstraction Office having been already dispensed with as observed in para 2 above.

I have the honour to be,

Sir,

Your most obedient servant,

16/5/22

Census Superintendent in Mysore.
